

Q3 ARTS

Ottawa-Carleton District School Board
Building Brighter Futures Together @OCDSB

Q3 What are some important priorities for the OCDSB to focus on for the next four years?

Focus on increasing not cutting the Arts

Creative thinkers makes great grown-ups - Cut the Arts and you end up with a lot more troubled students

4.1 ★★★★★ (15 👤)

Secondary Parents and Guardians - 1

Kids need more music and art instruction in school. Music and art are therapeutic and would likely help with a lot of behavioural issues.

3.7 ★★★★★ (23)

Boost Music programs OCDSB seems to have de-focused on music courses, many school have cut funding for Arts programs.

Elementary Parents and Guardians - 1

3.7 ★★★★★ (21)

Enriching and extending the music programs

Elementary Parents and Guardians - 2

3.7 ★★★★★ (18)

More support for music learning during school hours, even if it is during recess periods Because there can be limited opportunities outside school hours.

Elementary Parents and Guardians - 2

3.7 ★★★★★ (17)

More arts courses at each school I attend LCI we have four arts classes and none of them are specific and that's difficult for students like me who enjoy art who want to persure it

Students Grades 9 to 12

3.6 ★★★★★ (16)

Ensure all elementary schools have high quality music programmes High quality music instruction has been positively correlated with improved learning.
