

Q3 INDIGENOUS HISTORY

Ottawa-Carleton District School Board
Building Brighter Futures Together @OCDSB

Q3 What are some important priorities for the OCDSB to focus on for the next four years?

Focus on providing a quality education rather than being politically correct. A semester long Indigenous English course taught me nothing about them. Meanwhile, two days of reading *The KiteRunner* have enlightened me enormously about the political state of Afghanistan. & it's a good book, unlike M&S
