Ottawa-Carleton District School Board
Building Brighter Futures Together @OCDSB

Q3 What are some important priorities for the OCDSB to focus on for the next four years?

sports teams I'm not very good at sports so I don't make sports teams very often. Just because someone is good at sports that doesn't mean they get an opportunity

Extracurricular sports should be available to all kids. Kids are being squeezed out of sports as they are already not "athletic" enough; this creates a challenging cycle of how to encourage fitness when you get moved out from school sports at a young age.
