

Q1 ELECTIVES

Ottawa-Carleton District School Board
Building Brighter Futures Together @OCDSB

Q1 What are some things that the OCDSB is doing well to support learning and well-being?

Teaching children about nature and environmental care Because we need our kids to understand how to care for the environment.

It'll be cool if there was more courses for those who are advanced in their learning.

Those who are more developed won't get bored and they'll be challenged.
