Ottawa-Carleton District School Board
Building Brighter Futures Together @OCDSB

Q1 What are some things that the OCDSB is doing well to support learning and well-being?

Grade 2: My child needs longer lunch breaks. I can see snacks being 15minutes. However, 15 minutes for lunch is not enough. Not for a 7 hour day. When hungry: loses focus; has less patience; feels tired/sick. I would like to see minimum 20min to 30min. Supports mindful and healthy eating habits

High school students shouldn't be starting school at 8am. If this is just a busing issue it should be resolved.
