

Q2 INDIGENOUS HISTORY

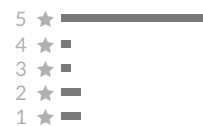

Ottawa-Carleton District School Board
Building Brighter Futures Together @OCDSB

Q2 What are some ways that the OCDSB could improve how we support learning and well-being?

Focus on improving our understanding our shared history with the indigenous people of Canada. I think it's pretty clear as to why.

OCDSB could improve to support their learning and well-being by teaching more Inuit culture as the Inuit population is growing in Ottawa. It is important because there are Inuit students who feel isolated and feel left out.
