

Q2 BOARD LEVEL ADMINISTRATION

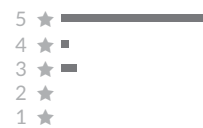

Ottawa-Carleton District School Board
Building Brighter Futures Together @OCDSB

Q2 What are some ways that the OCDSB could improve how we support learning and well-being?

Come and see for yourself. It is impossible to accurately describe what has happened to the education system over the past 5 years. I think you'll be shocked.

Elementary Staff

4.4 ★★★★★ (20)

Lobby for the end of the Catholic school board It is inefficient to fund two (English language) school systems and that funding the schools of only one religious group is unfair and discriminatory.

Elementary Parents and Guardians - 1

Stop taking our principals out on Wednesdays for meetings at the Board office. We need them more then ever as they provide continuity and support.

Elementary Staff

Many staff have the impression that no matter what we do or decisions we try to influence, Leadership will still do what they think is best. Increased transparency, Leadership needs to show they are connected to and really understand what frontline staff experience.

District Office and Centrally Assigned Staff

Catholic English, Catholic French, English public, French public- too many options.

Wasteful to have both catholic and public boards. I know it would not be easy to merge but should be done.

Elementary Parents and Guardians - 2

Spend significant time determining what the main priorities are and limiting distractors.

We try to be all things to all people and are often more reactive than proactive.

District Office and Centrally Assigned Staff

3.8 ★★★★★ (18 👤)

The top-down culture of the current OCDSB administration must start to acknowledge the strengths of many of its school administrators and staff. Real change requires real buy-in.

There are currently way too many head-noddors and yes-sayers. Senior staff isn't given accurate pic of dissent.

Secondary Staff

3.8 ★★★★★ (16 👤)

Education should not depend on politics The well-being of children requires good education, a loving family and supportive community. Not corrupt politicians.

Secondary Parents and Guardians - 1
