

Q2 SCHOOL LEVEL COMMUNICATION

Ottawa-Carleton District School Board
Building Brighter Futures Together @OCDSB

Q2 What are some ways that the OCDSB could improve how we support learning and well-being?

Principals should be aware and address years of complaints from parents/students regarding a certain teacher.

There should be consistent targets for school-parent communication. Some schools do it really well, others not at all. Having parents who are engaged with their child's school is a key to success. If we don't know what's going on at the school, how can we help?

Better facilitate helping those parents that want to get involved, know where they can help. In specific ways instead of generic donations. There are lot of untapped resources (time and money) in my community and it should be much simpler for parents to help solve specific issues.
