

Q3 IEP

Ottawa-Carleton District School Board
Building Brighter Futures Together @OCDSB

Q3 What are some important priorities for the OCDSB to focus on for the next four years?

I have an IEP and found out that it will expire in post-secondary and will cost 2000\$ for an evaluation by a professional. I don't have that \$. Soooo- ldk.I need accommodations for my learning disability for post 2dary. Also I was never informed. So need ppl discussing this with those who have an IEP

Students Grades 9 to 12

4.1 ★★★★★ (15)

Providing release for LST/Teacher IEP writing for classes with high numbers of modified IEPs. IEPs will be tailored to each student vs. cookie cutter documents.

Elementary Staff

3.9 ★★★★★ (20)

Making sure IEP's are being read IEP's are very serious and I feel as if teachers do not give them the attention they deserve. Those with IEP's should be given what they need.

Students Grades 9 to 12

3.9 ★★★★★ (13)

Improving the IEP process so students are provided with the supports they need to be successful. The IEP process is failing at the implementation stage. Lack of accountability and collaboration.

Secondary Parents and Guardians - 1
