

## Q3 REPORTING

Ottawa-Carleton District School Board  
Building Brighter Futures Together @OCDSB

### Q3 What are some important priorities for the OCDSB to focus on for the next four years?

**Report cards that accurately reflect the students' work. Less sentences with more meaning. Stop using cookie cutter phrases that teachers must choose** These reports are meaningless except to meet a false standard. They do not help the student improve. That is the point.

*Elementary Parents and Guardians - 4*
