# OTTAWA-CARLETON DISTRICT SCHOOL BOARD EXTENDED DAY PROGRAM

*\*\*Please note that the Early Learning Department at the OCDSB intends to enrol in the Canada Wide Early Learning Child Care (CWELCC) System. At this time we have submitted an application to enrol but we are not yet enrolled but the process is underway.\*\**

## **A warm welcome is extended to you and your family.**

The Extended Day Program (EDP) provides your child the opportunity to participate in activities that will complement what happens during the regular school day. The educator teams plan and organize the environment and activities based on the developmental needs of the children, as well as the guiding principles outlined in [The Kindergarten Program, 2016](#) and [How Does Learning Happen? Ontario's Pedagogy for the Early Years \(HDLH\)](#). The focus is on age-appropriate, developmentally appropriate, and culturally responsive program planning, to facilitate experiences that promote each child's physical, cognitive, language, emotional, social, and creative development and well-being.

Educator teams foster conversation, observe and document with the children, in order to plan appropriately for each child, and each group of children. Occasions for spontaneous and new activities, as well as expansion of current activities are provided, in order to take advantage of children's natural curiosity and to help maintain their interest and engagement in their environment.

Thoughtful curriculum planning for indoor as well as outdoor play, active as well as rest/quiet time, capitalizes on the interests of the children and helps to encourage engagement. Activities include quiet reading time, gross motor opportunities in the gym and outdoors, as well as open play within the classroom. Your child will be in a familiar environment with educators and children who they have been with during the school day.

# PROGRAM STATEMENT

## **Vision Statement:**

To be leaders in the field of Early Learning, ensuring that every child, family, caregiver and educator has access to caring, innovative and socially responsible OCDSB early years environments; and

## **Mission Statement:**

To support a culture of lifelong learning, in collaboration with school and community partners, through safe, inclusive, diverse, and evolving early years programs that foster the unique potential of every child and their caring adults.

As an OCDSB licensed Extended Day Program in Ontario, we adhere to the Ministry of Education's policy statement on programming and pedagogy (How Does Learning Happen?). This is based upon four pillars to build on as a child continues in our care: Belonging, Well Being, Engagement and Expression. Throughout this journey, we view all children as competent, capable, curious and rich in potential.

## **We promote the health, safety and well being of children by:**

- Providing daily morning and afternoon snacks
- Providing opportunities for active and quiet activities, both indoors and outdoors
- Ensuring children are wearing appropriate clothing and footwear during outdoor play
- Practising fire drills and other school safety procedures (Lock Down, Secure School)
- Ensuring all staff are current in their First Aid and CPR Training.
- Providing opportunities for children to engage in and explore their world according to their interests, putting their needs first.

## **We encourage children to interact and communicate in a positive way and support their ability to self regulate by:**

- Providing a welcoming, respectful environment for all members of a family, encouraging consistency between home, school and EDP.
- Providing opportunities for open communication with parents at drop off and pick up times.

## **We encourage children to interact and communicate in a positive way and support their ability to self regulate by:**

- Facilitating group play opportunities to encourage positive interactions between peers.
- Providing developmentally appropriate activities to encourage children's engagement.

- Acknowledging children's thoughts and feelings with empathy.
- Encouraging developmentally appropriate language (verbal and non-verbal) to communicate feelings, and modeling appropriate responses and behaviours.
- Implementing prevention strategies as a team for undesired behaviours

**We foster children's exploration, play and inquiry by:**

- Providing materials based on children's observed interest and questions.
- Using materials in a variety of ways to promote creativity and use of imagination
- Implementing play-based/inquiry based learning opportunities with educators as co-learners.

**We provide child-initiated and adult supported experiences by:**

- Following the lead of the children, and providing related resources to enhance the learning experiences.
- Implementing and expanding upon open-ended experiences through inquiry and diverse materials

**We plan for and create positive learning environments and experiences in which each child's learning and development will be supported by:**

- Encouraging teams to share observations, discuss, collaborate, and plan for the children's developing skills and abilities.
- Providing equipment and materials that are appropriate for the whole group of children.

**We incorporate indoor and outdoor play, as well as active play, and quiet play, into the day, and give consideration to the individual needs of the children receiving care by:**

- Having a posted schedule of daily activities that is flexible, and allows for extensions of activities as well as a variety of activity choices.
- Modifying an activity or transition to address the needs of the group or the individual child.

**We foster engagement of, and on-going communication with parents about the program and their children by:**

- Encouraging parents to ask questions and share information about their child.

- Displaying documentation about their child and the program

**We involve local community partner and allow those partners to support the children, their families and staff by:**

- If needed in consultation with the school we will help to provide parents with the resources needed to involve appropriate agencies to engage with their child.
- Engaging in activities in the local community as well as the school environment.

**We support staff in relation to Continuous Professional Learning (CPL) by:**

- Providing current updated information on Continuous Professional Learning (CPL) from the College of Early Childhood Educators, and How Does Learning Happen? Ontario's Pedagogy for the Early Years resources from the Ministry of Education.
- Providing information on professional development opportunities from federal, provincial and local childcare and Early Years organisations.
- Encouraging peer coaching.

**We will document and review the impact of the above strategies on children and families by:**

- Reviewing the program statement and the strategies identified to ensure accuracy.
- Encouraging documentation and displaying evidence of children's learning opportunities through photographs and written text.
- Involving staff in determining PD topics/areas of interest specific to program statement goals.

**Expectations for Implementation of the approach to the OCDSB Program Statement:**

- The following practices are in place to ensure that only preferred practices are used in regards to the implementation of the Program Statement.
- Prior to working with the children the Program Supervisor will discuss the centre's Program Statement, and prohibited practices with each staff, student and volunteer to ensure compliance, as required by the CCEYA.
- Monitoring practices by ongoing observations.
- Team meetings will include discussion about implementing approaches specified in the program statement, as well as prohibited practices and interventions.
- A daily log will be kept for staff to record in. The following information will be documented: anecdotal record of intervention, children involved, location, time, duration, techniques used by the child and educator. The Program Supervisor will

review the documentation as needed.

- The Program Supervisor in consultation with the school Administration will do staff performance appraisals.

### **Recommendations to prevent prohibited practices while implementing the program statement.**

1. Rather than setting out practices to be used to manage children's behaviour, OCDSB employees are instead required to examine and set out in their program statement how they will support positive interactions between children, families, staff and the community.
2. Staff should consider the child's development level and needs.
3. Interactions should be implemented in a positive and consistent manner.
4. Interactions should be designed to help the child learn appropriate behaviour techniques.
5. Staff should help the children to develop self control, self confidence, decision making skills, the ability to communicate effectively and sensitivity in their interactions with others.

## **WHO CAN REGISTER IN THE OCDSB EDP?**

The program is open to all children from 3.8 years of age to 12 years of age who are registered to attend Kindergarten to Grade 6 in their designated OCDSB school. Children are eligible to register in the EDP until the end of June their Grade 6 school year.

Parents and caregivers who wish to register their children in the Extended Day Program at their child's designated school when they attend another school for the core portion of the day can send an email with a formal request for consideration to the Lead Program Supervisor, outlining reasons for the request. These requests will be reviewed in consultation with the Early Learning Manager based on availability of space, and the ability to ensure that the transportation and timings work out between the EDP program and the school(s) involved.

## PROGRAM STAFF

“When we see educators as knowledgeable, reflective, resourceful, and rich in experience, we value the experiences and environments they create for children.” (HDLH)

Our educator teams are composed of Registered Early Childhood Educators (RECE) and depending on the number of registrations, Early Learning Assistants. To support educator teams applying pedagogical approaches and practices as well as policies and procedures, our Program Supervisors work alongside the educators to both guide and support them to deliver a responsive and quality program. The Manager of Early Learning and the Lead Program Supervisor oversee the operation of the OCDSB's Extended Day Programs.

The educator teams, Program Supervisor and the Management team foster interactions and communication among educators, children and families. Parents and caregivers are encouraged to communicate with all OCDSB program staff.

## CRIMINAL REFERENCE CHECK — VULNERABLE SECTOR CHECKS

To mitigate risk to the safety of the children or anyone else who works in the program, all of our Early Childhood Educators (RECE) and Early Learning Assistants as well as the Early Learning Department Team must provide a current Police Record - Vulnerable Sector check prior to beginning employment. All OCDSB employees will complete an annual offence declaration. This is a requirement of the Ministry of Education for all OCDSB employees.

## HOURS OF OPERATION

The Extended Day Program operates from 7:00 a.m. to the bell time of the school and from the end of day bell to 6:00 p.m. on all regular school days.

The application is only a request, and may be approved or denied by childcare management staff, depending on admission criteria and available spaces. A waitlist will be created for each site if required. (See Waitlist Information) . If you need to make any changes to your EDP application, please send an email to [earlylearning@ocdsb.ca](mailto:earlylearning@ocdsb.ca)

rather than submitting a new application. Duplicate applications create processing delays.

**Next Steps:** Once your request has been approved, you will receive an email confirmation and, if necessary, an activation code to activate your EDP online account.

You will then be asked to complete the e-registration application process. NOTE: It is important that you make note of your user ID, password and security question answers for future use.

# SPECIALIZED SCHEDULES OF ATTENDANCE

The Early Learning Department recognizes the need for some flexibility when it comes to childcare schedules for certain types of employment and shared custody arrangements.

## **Custody Schedule**

Parents and caregivers that have such arrangements in place can request a review for an EDP custody schedule based on their custody agreement.

Please note that it is possible to have two separate client accounts associated with one child due to custody arrangements so that each parent can request their own schedule. All information pertaining to each adult will remain confidential. This means that one parent cannot access the other parent's information. The child's information will be shared with both parents.

## **Flexible Schedule**

Parents with the following types of employment may request a flexible schedule based on their work schedule when enrolling in an OCDSB Extended Day Program. All requests will be subject to review and approval (please note proof of employment may be required):

- First responders working on a rotating schedule:
- Paramedic-working on a rotating schedule
- Doctor-working in a hospital on a rotating schedule
- Nurse-working in a hospital on a rotating schedule
- FireFighter-working on a rotating schedule
- Police/RCMP-working on a rotating schedule

***Please be advised that no other requests for employment reasons will be considered.***

## **For all flexible schedules:**

Minimum of 8 sessions per month (on different days) is required. No exceptions to this enrollment minimum will be granted.

Parents are required to submit a schedule for each month. The schedule must be submitted via the EDP parent portal no later than 1 week prior to the start of the month.

If your schedule is not received by the deadline **you will be charged for the full month of care**. Failure to provide a schedule may result in flexible schedule privileges being revoked.

## **FEES**

Fees for the Extended Day Program will be collected through Electronic Funds Transfer (EFT). The monthly fee is due on the first day of each month and will be deducted from your bank account within the first 3 business days of the month. If your child starts after the monthly fees have been processed, your first month's fee will be processed along with the next month's fees.

The cost for AM/PM care at all Extended Day locations is from \$23.50–\$28.20 (Base Fees) per day. The AM only or PM only cost is site specific and based on the number of minutes the Extended Day Program operates either before the start of school or after the end of the school day.

To view the EDP fee information for your child's school, please click on the [EDP Fees & Locations for 2022/2023](#) icon on the OCDSB website [OCDSB-Extended Day Program](#).

## **FEE SUBSIDIES**

In order for your child to receive a subsidy for the Extended Day Program, you must register with the [City of Ottawa Child Care Registry and Waitlist](#) (CCRAW). When you add your name to the Registry, you will have the option to apply for a subsidy or call the City of Ottawa at 311 for assistance. This is in addition to submitting an EDP application by clicking on the Apply to EDP icon via the OCDSB website [OCDSB-Extended Day Program](#).

## **INSUFFICIENT FUNDS CHARGES/OVERDUE FEES**

Any fees returned due to insufficient funds are subject to a \$30 administration fee (Non Base Fee). The OCDSB will make a second attempt on the 15th of the month (or the first

business day if the 15th falls on the weekend) to recover the missed payment along with the \$30 NSF (Non-base fee). If fees remain in arrears for more than 30 days, your childcare services will be reviewed by the Manager of Early Learning to determine what action will be taken to collect the overdue fees.

The OCDSB may require payment by bank draft/certified cheque if fees are in arrears for more than 60 days. At that point the OCDSB reserves the right to suspend childcare services until full payment is received.

**Please note** that where fees remain in arrears at the end of a school year, caregivers will not be able to register their child(ren) for any EDP programs for the upcoming school year.

## INCOME TAX CHILD CARE RECEIPTS

Families will be provided with a receipt for their childcare expenses for the previous calendar year by the end of February. The names and amounts on the receipt are based on the information provided through the EDP parent portal. These receipts will be available to parents under the Finances tab in the parent portal by clicking on the [Parent Portal](#) icon on the OCDSB website.

## DAILY ATTENDANCE

### ARRIVAL AND PICK UP (SIGNING IN AND OUT)

**\*Parents/Guardians must sign and indicate time of arrival during morning drop off, and sign and indicate time of departure at pick up in the afternoon\***  
**Under no circumstances is a child to be dropped off at a program and left unattended;** nor will a child be allowed to leave the program alone. Please ensure that you speak to an EDP staff member and have a face to face interaction at drop-off and pick-up.

Please make sure the Extended Day Program educators are aware of any alternate pick-up arrangements for a child. In the interest of safety, no child/ren will be released to an individual without prior consent from the parent/caregiver, and no child/ren will be released to leave the program alone. Children may only be released to a parent or caregiver, unless a written arrangement for release to another individual has been made with a staff member. If your child is being released to a person under the age of 16, a consent form will be required.

Individuals should be prepared to show photo identification when picking up your child/ren from the program.

If unforeseen circumstances occur (such as inclement weather) where the EDP educator is not present when the program opens, parents must stay with their children until the EDP educator arrives.

If educators suspect that the adult picking up a child/ren is visibly impaired to drive and alternate pick-up arrangements are not made, staff may conclude that the child/ren may be in danger of suffering physical harm. In such circumstances the staff person cannot withhold the release of the child; however, they are obligated to report their concerns to the Ottawa Police immediately.

## **SAFE ARRIVAL IN THE PM EXTENDED DAY PROGRAM**

Safe arrival procedures for children who are registered in the Extended Day Program in the afternoons are vital and take place within the first ten minutes of the school dismissal bell.

If you are picking your child/ren up at the end of the school day and they will not be attending the program on a scheduled day, you are required to call or contact the school and let them know your child will be picked up after school and will not be attending the Extended Day Program.

Extended Day Program staff will verify with the school office any children who are absent from the program on a scheduled day or who are unaccounted for.

If your child is unaccounted for, the following steps will take place:

3. An “all call” is placed throughout the school for your child, and staff will search the school and play yard.
4. A phone call is placed to the parents or caregivers and all emergency contacts as needed.
5. Phone calls are made to the Program Supervisor, to notify that there is a missing child.
6. If we are unable to reach anyone and the child is still unaccounted for, in consultation with the Principal/Vice-Principal and Program Supervisor, 911 will be called by either office staff, or program staff with the support of the office staff, and a missing child report will be made.
7. Police will then make their way to the school and gather more details and begin to search for your child.

## LATE PICK UP

The Extended Day Program closes at 6:00 pm. If a parent, or other authorized adult is unable to pick up the child by 6:00 pm, alternate arrangements must be made in order to meet the closing time of the program. Parents are required to respect the operating hours of the Extended Day Program. Late fees will be applied for any child who is in the program past 6:00 pm.

If an educator is unable to reach a parent or caregiver to ensure someone is on their way to pick up the child/ren, they will then call the emergency contacts listed for each child. If the educator is unable to contact a responsible parent, caregiver or alternate authorized pick-up person thirty (30) minutes after closing time, the Program Supervisor in consultation with the Lead Program Supervisor, will notify the authorities (Ottawa Police and/or the Children's Aid Society) that a child/ren is left in a program with no contact by a parent or caregiver. The educator will remain with the child/ren until either a parent, caregiver or local authority picks up the child/ren.

## LATE FEES

We encourage you to arrive by 5:45 pm to pick up your child. This ensures you have the time and the opportunity to connect with the educator and to allow for an unrushed ending to your child/ren's day. We do recognize that in exceptional and unavoidable circumstances, parents may occasionally be late in picking up their children. When this occurs, parents are required to notify the EDP at the earliest opportunity. Late pick-ups cause difficulties both to the educators and the children waiting to be picked up. Parents and caregivers are responsible for picking up a child no later than 6:00 pm.

The following action will occur in regards to late pick-up from the beginning of the school year until the end of June:

- Late pick-up occurrences are based per family;
- First late pick-up: Will result in a verbal warning and will be documented by the Program Supervisor;
- Second late pick-up: A charge of ten dollars (\$10.00) for the first fifteen minutes or any part thereof and then \$1.00 (Non-base fee) for every consecutive minute thereafter;
- Should a parent be late more than 3 times, the late fee will double;

- Late fees will be charged and paid via the EDP parent portal;
- All documented late fees are available via your parent portal. Once paid, they will be absolved as of September 1st each year and new records kept for the following year;
- Individual concerns regarding the Late Fee policy should be addressed to the Program Supervisor;
- If parents or caregivers disregard the Late Fee policy, the OCDSB reserves the right to withdraw access to the EDP.

## ABSENTEEISM

If you know your child will be absent for a day or part of the day that will impact the Extended Day Program, please notify the on-site educator of any upcoming absences. Unfortunately, it is not possible to give families a rebate or reduction of the monthly fee as a result of a child being absent from the program.

## SCHOOL CLOSURES

If schools are closed due to a facility failure, there will be no Extended Day Program offered. School closures are usually announced by most local radio stations, on the OCDSB website and on the Ottawa Student Transportation Authority (OSTA) website. When buses are canceled due to inclement weather, schools remain open; therefore, the Extended Day Program will also be open for any children regularly scheduled to attend. It is the parent's responsibility to get the child/ren to and from the program.

The OCDSB Extended Day Program has calculated the daily fees to include an allowance for up to 5 closure days during the 2022–2023 school year. This applies to any unforeseen circumstances and labour disruptions where a school will be closed. For these rare occurrences, families will not be issued a refund or credit of any kind for these days.

## **LABOUR DISRUPTION**

In the event of a labour disruption involving unionized EDP educators, the Extended Day Program will be closed to all families. For school closures relating to non-EDP staff labour actions, if permitted, the OCDSB will review opportunities for the Extended Day Program to remain open. Ongoing updates and information will be provided to families via email, and posted on the OCDSB website.

## **HEALTH**

If your child contracts any communicable disease, you are required to notify the program immediately. We work in partnership with Ottawa Public Health to ensure appropriate measures are taken to minimize the spread of infection. Ottawa Public Health requests that when outbreaks occur, the programs exclude children who have certain communicable diseases until certain criteria are met for a healthy return to care.

If your child is hospitalized for a minimum of twenty four (24) hours, please notify the child program immediately.

Upon arrival at the childcare program or throughout the day, staff may determine that a child is “not well enough” to attend the program. If this is the case, the child will be isolated and the parent/caregiver will be notified to pick up their child as soon as possible.

## **ACCIDENTS/INCIDENTS**

While attending the EDP, children are supervised at all times by the educators. However, accidents or incidents can happen while children are exploring their indoor and outdoor environments. If your child is injured during the EDP, in most cases educators will communicate with you when you arrive to pick up your child. Should the injury require further medical attention, we will contact you and/or your emergency contacts as soon as possible.

Educators will fill out and provide an Injury Report form. Should an accident occur at home that may impact your child’s participation in the EDP, please ensure that you inform the EDP educator.

## **ADMINISTRATION OF MEDICATION**

Written permission from a parent/caregiver is legislatively required to administer both prescription and non-prescription medication to a child while attending one of our programs. Parents/Caregivers are required to complete a Medication Authorization Form.

All medication must be in the original container, clearly labeled with the child’s name, dosage, administration, storage instructions and possible side effects. Medication must be kept in a locked box inaccessible to children. Epi Pens and Asthma medication will be in a designated place in consultation with the parents or caregivers. However, in the

case of asthma medication or emergency allergy medication, parents/cargivers may allow children to carry their own asthma medication or emergency allergy medication in accordance with the OCDSB's medication administration policy and with a parent's permission for the child to self-administer asthma or emergency allergy medication kept on file. This includes all medication that must be administered quickly in an emergency, such as antihistamines, epinephrine and puffers.

For everyone's safety, *please do not leave medication of any kind in your child's cubby or backpack.*

## ANAPHYLAXIS

Anaphylaxis is a serious allergic reaction that can be life-threatening. It requires avoidance strategies and immediate response in the event of an emergency. These policies and procedures are intended to help meet the needs and save the lives of children with severe allergies and provide relevant and important information on anaphylaxis to parents/caregivers, staff, students, volunteers and visitors in the EDP program.

This policy is intended to fulfill the obligations set out under Ontario Regulation 137/15 for an anaphylactic policy for child care programs. The requirements set out in this policy align with Sabrina's Law, 2005.

### **Individualized Plans and Emergency Procedures for Children with Life-Threatening/Anaphylactic Allergies**

- Before attending the Extended Day Program, the Program Supervisor will speak with the parent of a child to obtain information about any medical conditions if noted on their registration request, including whether the child is at risk of having or has anaphylaxis.
- Before a child attends the Extended Day Program or upon discovering that a child has an anaphylactic allergy, the Program Supervisor will request a copy of the child's individualized plan of care.
- All individualized plans and emergency procedures will be made readily accessible at all times to all staff, students and volunteers at the Extended Day Program.
- All individualized plans and emergency procedures will be reviewed with a parent of the child yearly by the school Administration or more often as needed to ensure the information is current and up to date.
- Every child's epinephrine auto-injector must be carried everywhere the child goes.

## **Strategies to Reduce the Risk of Exposure to Anaphylactic Allergens**

The following strategies to reduce the risk of exposure to anaphylactic causative agents must be followed at all times by employees and students at the Extended Day Program.

- Do not serve foods where its ingredients are not known.
- The ingredients will be reviewed before food is served to children to verify that causative agents are not served to children with anaphylactic allergies.
- In cases where a child has food allergies and the snacks provided by the Extended Day Program cannot meet the child's needs, ask the child's parent to supply snacks for their child.
- Where food is provided from home for children, ensure that appropriate supervision of children is maintained so that food is not shared or exchanged.
- Do not use craft/sensory materials and toys that have known allergens on the labels.
- Make sure each child's individual plan and emergency procedure are kept-up-to-date and that all staff, placement students are trained on the plans.
- Refer to the allergy list and ensure that it is up to date and implemented.
- Update staff and placement students when changes to a child's allergies, signs and symptoms, and treatment occur and review all updates to individualized plans and emergency procedures.

### **Communication Plan**

The following is our communication plan for sharing information on life-threatening and anaphylactic allergies with staff, students, parents and families.

- Parents will be encouraged not to bring foods that contain ingredients to which children may be allergic.
- A list of all children's allergies including food and other causative agents will be posted in all servery's and accessible to all staff.
- Each child with an anaphylactic allergy will have an individualized plan and emergency procedures that detail signs and symptoms specific to the child describing how to identify that they are having an allergic reaction and what to do if they experience a reaction.
- Each child's individualized plan and emergency procedures will be made available and accessible wherever the child may be present.
- The Extended Day Program Supervisor will communicate with the Ministry of Education by reporting serious occurrences where an anaphylactic reaction occurs in accordance with the established serious occurrence policy and procedures.
- This communication plan will be continually reviewed to ensure it is meeting the needs of the Extended Day Program and that it is effectively achieving its intended result.

## Drug and Medication Requirements

- Where drugs or medications will need to be administered to a child in response to an anaphylactic reaction, the drug and medication administration policy will be followed including the completion of a parental authorization form to administer drugs or medications.
- Emergency allergy medication (e.g. oral allergy medications, puffers and epinephrine auto-injectors) will be allowed to remain unlocked or carried by the child

## NUTRITION

The EDP follows the guidelines for addressing the needs of students with severe or life-threatening medical conditions in schools at the Ottawa-Carleton District School Board in compliance with *Sabrina's Law*, *Ryan's Law* and all other relevant legislation.

[OCDSB Procedure PR.548.SCO](#)

Snacks are provided in the morning and afternoon portion of the Extended Day Program. Food items rotate daily.

If your child has any food allergies or restrictions, it is very important to identify and update the allergies or restrictions via your child's file in the EDP parent portal. It is the parent's/caregiver's responsibility to make any required changes or modifications via the parent portal, which can be accessed using the Existing Students tab on the OCDSB website. If you do not have Internet access or cannot access the EDP parent portal for logistical reasons, please communicate with the on-site educators, and an appropriate alternative will be provided.

On full days of care, parents/caregivers will be responsible for providing their child/ren with a bagged lunch that meets Canada's Food Guide requirements.

## ACTIVE AND OUTDOOR PLAY

Active and outdoor play in daily programming provides opportunities for increased physical activity for children. Activities offered will be developmentally appropriate and

accommodate fitness levels and interests of children. Emphasis will be on participation and enjoyment and can include introducing participants to a range of developmentally appropriate physical activities. Active and outdoor play is a legislative requirement of the Extended Day Program. It is also consistent with the principles outlined in *How Does Learning Happen? Ontario's Pedagogy for the Early Years*, which includes creating opportunities for children to engage in active play that allow them to connect with the natural world and their community.

Children are expected to be dressed appropriately for the weather conditions. Parents/caregivers can anticipate providing extra mittens in winter, splash pants in spring, and hats, sunscreen and water bottles for the warmer weather. The educators will make every attempt to ensure all children are dressed appropriately for the weather each day.

## **FIELD TRIPS/OFF SITE TRIPS**

On all regular school days the program will remain onsite at the school.

On PD Days a group may wish to go on a walking field trip with review and permission from the Early Learning Department. If a trip is approved all parents of children registered for care for this day will receive and must complete the OCDSB field trip authorization form.

## **NON-SMOKING POLICY**

Smoking is forbidden on school property at all times.

## **FIRE DRILL AND LOCKDOWN PRACTICES**

In consultation with the school Principal or Vice-Principal, the morning and afternoon Extended Day Program will complete three fire drills during each term, and three lockdown practices in each school year. These drills and practices will be recorded by the educators on the OCDSB Extended Day Program Fire Drill Reporting and Lockdown Reporting Form and submitted to the Early Learning Department.

If an evacuation is necessary for any reason that requires the program to leave the site during the EDP hours, all schools have an identified alternate place of shelter that is accessible for the children and educators to remain until all parents/guardians can be notified to come and pick up the child/ren.

Please note that the Extended Day Program has an Emergency Management Policy and Procedure that will be followed during any emergency onsite. Parents will be notified by email and phone call of any emergency that occurs in the OCDSB EDP programs.

Please refer to the emergency response quick reference poster located at the school in the classrooms and by the exit doors.

Please speak to the educators on-site in the program if you have any questions or

concerns surrounding the drill and practice procedures or the alternate place of shelter location used in case of an evacuation.

## SERIOUS OCCURRENCE NOTIFICATION

In the case of any situation considered a Serious Occurrence, it is a requirement for all programs to post a *Ministry of Education Serious Occurrence Notification Form* next to the licensing information in the program. This form will be posted for a minimum of 10 business days.

## BEHAVIOUR GUIDANCE

Guiding and managing student behaviours in the EDP is a shared responsibility between the core day school team, the educators in the EDP and the family. The approach to dealing with inappropriate behaviours will be based on a progressive discipline model consistent with the school's approach. [PROCEDURE PR.660.SC PROGRESSIVE DISCIPLINE AND PROMOTING POSITIVE STUDENT BEHAVIOUR](#). The range of interventions, supports and consequences will include learning opportunities to reinforce appropriate, positive choices.

Learning to be respectful of shared materials and spaces, expressing emotions and negotiating diverse thinking are a daily occurrence in shared experiences. We regard these circumstances as teachable moments by providing both the children and adults the opportunity to negotiate differing opinions, voice their concerns and collaboratively solve problems. When these situations arise, we listen carefully to each child, encourage them to listen to one another and support them as they identify with each other's feelings. Together, the educators and the children work to co-construct solutions and reflect on whether these solutions are working. The educators support the children as they reflect on the consequences of their actions and provide alternative options. There may be occasions when the educators ask for parent/caregiver support during relational learning opportunities.

Parents/caregivers will be informed of any behavioural incidents involving their child that occur during EDP. In some cases, an incident report will be completed by EDP educators; in order to document behaviours, and identify strategies to assist in addressing inappropriate behaviours.

When all interventions and/or strategies have been exhausted, and if it is necessary

that the child be suspended, the suspension is decided by the Principal/Lead Program Supervisor, and includes the EDP portion of the day. It is the expectation that suspension from either the core day or the EDP covers both programs.

## **PROHIBITED PRACTICES**

As determined by legislation, (*Ontario Regulation 137/15, Child Care and Early Years Act, 2014*) these provisions forbid physical punishment and other harmful disciplinary practices to protect the emotional and physical well-being of children. They set out clear directions regarding prohibitive practices to support the overall well-being of children.

These practices are never permitted in a program.

Furthermore, no employee or volunteer of the OCDSB, or student who is on an educational placement with the OCDSB, shall engage (i.e. implement) any of these prohibited practices.

Young children benefit from an affirming approach that encourages positive interactions with other children and with adults, rather than from a negative or punitive approach to managing unwanted behaviour.

### **None of the following practices are observed in the program:**

- a. Corporal punishment (which may include but is not limited to: hitting, spanking, slapping, pinching)
- b. Physical restraint of children, for discipline or in lieu of supervision, unless for the purpose of preventing self-harm, harm to others, and only until risk of harm/injury is no longer imminent
- c. Locking of the exits of the classroom for the purpose of confining a child, or confining the area or room without adult supervision, unless such confinement occurs during an emergency
- d. Use of harsh, degrading measures or threats or derogatory language directed at or used in the presence of a child that would humiliate, frighten the child or undermine their self-respect, dignity or self-worth
- e. Depriving a child of basic needs including food, drink, shelter, sleep, toilet use, clothing or bedding
- f. Inflicting any bodily harm on children including making children eat or drink against their will

## **STUDENT INVOLVEMENT**

If co-op or placement students wish to participate/volunteer within the program, it is a requirement that these individuals present a current Police Records check to the OCDSB prior to their first visit. In addition, any volunteers or students must read and

sign off on the Program Policies and Procedures, and any anaphylaxis plans that have been put in place. At no time will a placement or co-op student be alone with the children and will always be supervised by a staff member as per our Volunteer and Student Supervision Policy

## **CHILD, PARENT/CAREGIVER & STAFF CODE OF CONDUCT**

The OCDSB strives to provide a safe, inclusive and respectful learning environment for all. Children, parents/caregivers and staff are asked to adhere to the *Respectful Workplace and School District Code of Conduct* policies linked below:

- [Respectful Workplace](#)
- [School District Code of Conduct](#)

## **DUTY TO REPORT**

Section 125 of the Child, Youth and Family Services Act, 2017 (CYFSA) imposes a duty to report for everyone, including RECEs, where there are reasonable grounds to suspect one or more of the following with respect to a child:

- Emotional Harm: The child has suffered emotional harm, or there is a risk that the child is likely to suffer emotional harm demonstrated by serious: anxiety, depression, withdrawal, self-destructive or aggressive behaviour, or delayed development.
- There are reasonable grounds to believe that the emotional harm suffered by the child results from the actions, failure to act or pattern of neglect on the part of the child's parent or the person having charge of the child. These include but are not limited to: Physical and/or sexual harm, abandonment, acts of a criminal nature and exposure to family violence, which can take the form of physical, sexual, emotional or financial harm as well as neglect.

Persons failing to do so are subject to legal action and a fine if convicted. Failure to report under the CYFSA may also have consequences for members of the College under the ECE Act and the regulations of the College.

## **PARENT ISSUES AND CONCERNS**

Parents/guardians are encouraged to take an active role in our Extended Day Program by regularly discussing what their child(ren) are experiencing with our program. As supported by our program statement, we support positive and responsive interactions among the children, parents/guardians, child care providers and staff, and foster the engagement of and ongoing communication with parents/guardians about the program and their children. Our staff are available to engage parents/guardians in conversations and support a positive experience during interactions.

All issues and concerns raised by parents/guardians are taken seriously and will be addressed. Every effort will be made to address and resolve issues and concerns to the satisfaction of all parties and as quickly as possible.

Issues/concerns may be brought forward verbally or in writing. Responses and outcomes will be provided verbally, or in writing upon request. The level of detail provided to the parent/guardian will respect and maintain the confidentiality of all parties involved.

An initial response to an issue or concern will be provided to parents/guardians within 2 business day(s). The person who raised the issue/concern will be kept informed throughout the resolution process.

Investigations of issues and concerns will be fair, impartial and respectful to parties involved and follow all OCDSB policies and procedures.

### **Confidentiality**

Every issue and concern will be treated confidentially and every effort will be made to protect the privacy of parents/guardians, children, staff and placement students, except when information must be disclosed for legal reasons (e.g. to the Ministry of Education, College of Early Childhood Educators, law enforcement authorities or a Children's Aid Society).

### **Conduct**

Our Extended Day Programs maintain high standards for positive interaction, communication and role-modeling for children. Harassment and discrimination will therefore not be tolerated from any party.

If at any point a parent/guardian, provider or staff feels uncomfortable, threatened, abused or belittled, they may immediately end the conversation and report the situation to the Program Supervisor.

### **Concerns about the Suspected Abuse or Neglect of a child**

Everyone, including members of the public and professionals who work closely with children, is required by law to report suspected cases of child abuse or neglect.

If a parent/guardian expresses concerns that a child is being abused or neglected, the parent will be advised to contact the [local Children's Aid Society](#) (CAS) directly.

Persons who become aware of such concerns are also responsible for reporting this information to CAS as per the "Duty to Report" requirement under the Child and Family Services Act, as well as to the OCDSB investigator.
