

INDIGENOUS SUMMER LEARNING 2021

Kwey! Taanshi! She:kon! Boozhoo! Tunngasugitsi!

ARE YOU AN INDIGENOUS OCDSB STUDENT CURRENTLY IN GRADE 8–12?

This summer, you can earn an academic credit while learning from Indigenous teachers, Elders and Traditional Knowledge Holders. Join the Indigenous Education team for a 5-week afternoon learning program with virtual and Land-based experiential learning.

This opportunity is ideal for Grade 8 Indigenous students looking to earn a credit while transitioning to Grade 9. It is also open to all other secondary Indigenous students, including those entering Grade 10–12 in the fall, and those currently in Grade 12 who require an additional credit. Secondary students will have an opportunity to learn with and mentor younger students while earning a credit toward their OSSD.
