

### **Course Selection 2021-2022 School Year**

A reminder that course selection is underway for all secondary students starting February 24th and will begin on March 2nd for grade 8 students. Students should have received a separate message on the process earlier this week. Course selection helps set the path for your future - schedule some time to review options, talk to your family and guidance counsellors. For more information, visit [OCDSB's Student Guide to Course Selections webpage](#).

### **Secondary In-Person Calendar Update**

The March break has been delayed until April 12-16. We know this is disappointing news, but the Ontario government made this decision based on the advice of health experts. School will continue for all students the week of March 15-19.

Take a look at the updated Secondary In-Person calendar for detailed information about the revised cohort attendance schedule, start and end dates for quadesters and octomesters, visit [OCDSB's Secondary In-Person Calendar webpage](#). To avoid confusion about which cohort is in attendance on which day, we request students to download/print this calendar and refer to it on a daily basis.
