

2020 Graduates,

We know that this was not the senior year you had hoped for.

While there will be commencement ceremonies in the fall, when we can ensure the safety of families and staff, we can try to find creative ways to celebrate the class of 2020. We have some ideas but we want to hear from you.

**What are some ways we can celebrate the class of 2020 while following physical distancing recommendations?**

COVID-19 may have forced the delay of grade 12 commencement events until the fall, but we remain committed to recognizing their incredible success and achievement of all graduates of the Class of 2020.

Take good care,

Camille Williams-Taylor

Director of Education/Secretary to the Board
