

Last week we invited you to participate in a Thoughtexchange to share thoughts on how we can celebrate the class of 2020, while following physical distancing recommendations. Thank you so much for sharing your ideas. Over 1100 students shared 521 thoughts, and assigned 22,556 ratings. Based on your feedback, we have a better understanding of what is important to you.

We know that this was not the senior year that 2020 graduates had hoped for. While there will be commencement ceremonies in the fall when we can ensure the safety of families and staff, the ideas you've shared will help us find new ways to celebrate your accomplishments this spring. Here is a [summary](#) of what we heard. Watch for more information next week.

Have a great weekend.
