

The _____ High School School Council has developed a principal profile in anticipation of the placement of a new principal in the school. The ideal candidate will:

- encourage the development of programs that meet the academic, social, and extracurricular needs of young adults;
- be able to communicate expectations clearly to students, staff, and parents;
- be committed and involved in all aspects of school life;
- support all levels of ability, from gifted to general;
- be a leader, able to motivate staff and students, and be flexible in approach;
- be able to develop, articulate, and implement a policy on discipline fairly and consistently;
- be willing to promote the best interest of the school to students, staff, the community, and the board;
- be experienced in a dual-stream school;
- network with feeder schools and neighbourhood schools;
- be enthusiastic, caring, and respectful of young people;
- have a sense of humour;
- have a strong academic orientation;
- support and encourage the professional development of staff.
